**MEMORANDUM**

**TO:** Webmaster

**FROM:** Annette Fettig, TRP Webmaster

**DATE:** March 23, 2009

**SUBJECT:** Request a link to ADOA's Air Quality Forecast Page

---

Please insert a link from your agency's home page to our Air Quality Forecast page from now through September 30, 2009. All agency webmasters are being asked to link to this page to allow easy access to a weekly forecast of ozone activity during this period of time. A summer campaign will promote ozone awareness and encourage reducing travel when ozone pollution approaches unhealthy levels.

Please insert the Air Quality Forecast (AQF) button on your home page and link it to the AQF page.

- The AQF button may be downloaded at <http://capitolrideshare.com/buttons.htm>. You will have your choice of two buttons, one with and one without mouseover actions. Directions and html script are provided.
- The AQF button you choose must be linked to: <http://www.capitolrideshare.com/aqforecasts.htm>

Please call me with any questions at 542-3634. Thank you for your assistance.
