

Think Pink Goes Green...

The Annual Pink Travel Reduction Survey will be online!

It's time for the annual Travel Reduction Survey!

Capitol Rideshare is required, by law, every year, to survey employees on the way they get to work.

Starting this year - our pink survey has gone green; it will be conducted solely online!

The survey tells us how State employees are getting to work. It tells if our bus system accommodates you; if our Rideshare program is incentive enough; it tells how far we've come and how much more is left to do. It tells how you are making a difference!

WATCH FOR YOUR SURVEY LINK TO ARRIVE IN YOUR EMAIL BOX!

It only takes a minute to complete and it makes a world of difference!
